

SENATOR CARPENTER: Certainly.

SENATOR SNYDER: Senator, what is it that we can have a public hearing on this bill, either?

SENATOR CARPENTER: You can if you want to.

SENATOR SNYDER: Well, I hate to be jumping up here like a yoyo but, this Legislature to me, we have just got to keep a precedent here. I think that when we divert from this procedure that people are, and rightly so, expecting, I think that we are doing some things that are terribly wrong. I don't want to go through this whole dissertation again, but everytime there is an attempt to move a bill into this Legislature without a public hearing, as long as I am here, I am going to have to object.

SENATOR CARPENTER: I have no objection to refer to the committee for which it came from.

SENATOR SNYDER: Thank you.

SENATOR CARPENTER: And if that is what the Senator wants, I will assure him that will happen if I can make it happen.

PRESIDENT: Now, is there any further discussion on the motion to suspend the rules of the introductions of the bills? Senator Carpenter, do you want to close on your motion?

SENATOR CARPENTER: No.

PRESIDENT: At all, any closing. The question is, "Shall the rules be suspended and the bills introduced?" All those in favor vote aye, all those opposed vote no. You are voting on the suspension of rules in order to introduce the bills. Have you all voted? Clerk will re.... Have you all voted? Clerk will record.

CLERK: 35 ayes Mr. President, on a motion to suspend the rules.

PRESIDENT: Alright now, does the Chair understand that that was for the one bill? Do we have two bills?

CLERK: Two bills.

PRESIDENT: For what two bills? Was there....

CLERK: Request 838 and request 842.

PRESIDENT: Were the both bills related to parking?

CLERK: I don't know.

PRESIDENT: I have had an inquiry from the body as to an explanation of the second bill, that is the reason for the Chair's inquiry. Senator Stahmer, for your edification, the explanation related to both bills and the rules were to suspend the rules and the motion was to suspend the rules and introduce the two bills and they are interrelated and Senator Carpenter's explanation did cover both of the bills. Now we have the bills before us, would the clerk read the titles please?

CLERK: (Read)

PRESIDENT: Do we have any other bills for introduction?
